PROFESSIONAL SUMMARY

Eager and enthusiastic front-end web developer with a strong foundation in HTML, CSS, and JavaScript and react. Recent graduate with hands-on experience in creating responsive and visually appealing interfaces. Adept at quickly learning and implementing new technologies. Excited to contribute fresh perspectives and a passion for innovative design to dynamic projects. Seeking opportunities to apply my skills and grow as a front-end developer in a collaborative environment.

PROJECT

E-COMMERCE PLATFORM

HTML,CSS AND JS

- Developed an e-commerce platform using HTML, CSS, and JavaScript, ensuring a visually engaging and user-friendly interface
